

Inflammation Remedy

Indications: For the temporary relief of inflammation associated with bacterial and viral infections, abscesses, and prevention of secondary infections where inflammation is present. Promotes detoxification.

Directions: Sublingual medication. Place tablets under tongue and let dissolve. Adults, take 2 tablets every 2 hours until relieved. Children 2 to 12, take half an adult dose. Tablets may be crushed in a spoon for small children.

Warnings: Keep out of children's reach. This Product is safety sealed. Do not use if seal on cap is broken or missing. Do not take this product for more than 10 days (adult) or 5 days (children) unless directed by a physician because this could be a sign of a serious condition. As with any drug, if you are pregnant or nursing, seek the advice of a health professional before using this product.
